Cashiers Greenway Ramble

A COLLABORATIVE INITIATIVE TO TRANSFORM CASHIERS INTO A WALKABLE COMMUNITY. A community development partnership between Visions Cashiers, Jackson County Tourism Development Authority, and the Cashiers Area Chamber of Commerce.

Phase One Cashiers Greenway Ramble, a one-mile stretch beginning and ending at the Cashiers Area Chamber of Commerce, is now open. This first section previews the full 5-

Thomas Taulbee Memorial Entrance

The new Thomas Taulbee Memorial Entrance is named in honor of the Chamber's late executive director. Local businesses were involved in the design, landscaping, and construction of the Ramble.

Retail Roundtable

Once again, our Retail Roundtable committee will offer Yellow Carlton Daffodil Bulbs for sale starting this month through October 1. Chamber members can conveniently place their orders at [Bloomin Bucks](#) by selecting the Cashiers Area Chamber of Commerce from the drop-down menu. Brent & Becky's will ship the bulbs directly to the customer. The Chamber will host a special pop-up event in September featuring Dargan Landscape Architects who are celebrating their 50th year in business in the Cashiers area. Dargan Landscape will offer valuable insights on how and when to plant the bulbs this fall for beautiful spring blooms in our community.

mile network, showing the transformative potential the initiative has for improving our quality of life, preserving natural beauty and offering opportunities for meaningful connection with our neighbors and local businesses.

Master GrowthZone for Your Business Workshops

Our new association membership software is live allowing members to update their online profiles and the new website The Chamber will host pre-gaming workshops

In August, the Chamber kicks off hands-on training sessions for our members to learn how to navigate their business profile and efficiently input and manage job postings using GrowthZone. The in person workshops are designed to provide a quick and easy way to streamline their online presence using GrowthZone and to grow their business.
